

Exciting **NEW** myCGS Enhancement for Part B Provider Administrators!

CGS is always looking for ways to enhance your myCGS experience. We are pleased to announce a few enhancements added to myCGS for Part B Provider Administrators.

ADMIN Tab

Provider Administrators utilize the ADMIN tab to maintain the use of myCGS within the office or organization by assigning additional Provider Administrator and Provider User privileges within the portal. Provider Administrators can now perform the following:

Provider User Listing System Stats EDI Enroll Info LDAP Operations

Enter the provider '7777777' to retrieve the CGS registered users.

Provider Number : OR User ID :

NPI:

Registered Users

Show entries

Provider ID	NPI	Provider Name	First Name	Last Name	Email ID	User ID	Last Profile Verification Date
NNNNNNN	NNNNNNNNNN	john doe	john	doe	john.doe@internetcompany.com	NNNNNNNN	05/09/2014
NNNNNNN	NNNNNNNNNN	john doe	john	doe	john.doe@internetcompany.com	NNNNNNNN	04/25/2013
NNNNNNN	NNNNNNNNNN	john doe	john	doe	john.doe@internetcompany.com	NNNNNNNN	04/26/2013
NNNNNNN	NNNNNNNNNN	john doe	john	doe	john.doe@internetcompany.com	NNNNNNNN	10/25/2012

- Locate users quickly by using the new search field
- Sort the new table layout by selecting the column heading.
 - Provider ID
 - NPI
 - Provider Name
 - First Name
 - Last Name
 - Email
